

Digital Preparation Guide

Preparing and sending your files :

Please follow the instructions below in order to ease the making of your prints, guarantee your satisfaction and respect the given deadlines. Regarding timing, we require to receive your files no later than **15 days prior to the build of your exhibition.**

We remain at your disposal, should you have any further queries.
+33(0)2 51 13 90 68

You are used to making print files :

To guarantee on time the execution of your digital medias at the highest quality, please follow the instructions below :

DIMENSIONS :

- Before starting the production, make sure with France Evenements that dimensions of your pictures are correct.

COLORS :

- CMYK colors shall be used primarily
- RBG colors should not be used
- As for black patches (large format), we recommend strenghtening the black color to 100% and to 20% for the three others CMY colors.

IMAGE RESOLUTION :

- All files need to be at 100 DPI in actual size or 300 dpi for a 1/4 format picture.

FILES FORMAT :

- Vector files : PDF - EPS - AI
(Please note that all fonts shall be vectorized and pictures links embedded)

- Non-vector files (pictures) : PDF - JPEG - PNG

Submitting files :

By e-mail for files that do not exceed 12 Mo

Through website WETRANSFER for files up to 2 Go

Please name the files mentioning exhibition name, booth number (as an exhibitor), and year.

Please send your files to Catherine VAN EENOO, catherine.van.eenoo@lacite-nantes.fr
