### MARKET ZONE OPPORTUNITIES

You have the choice! Join either the onsite and online exhibition or take part in the online event only. The virtual (online) component of #21EHPcong won't be just another webinar or zoom call experience. We will have a dedicated Market Zone online experience where exhibitors and participants can meet to exchange information, introduce new products, services & trends, chat with each other etc.

#### ONLINE-only:

At the online Market Zone you'll be able to create your very own virtual space (your company profile, logotype and your exhibits a link to your company's website...). You can get in touch with other participants using dedicated chatrooms or video calls. You are the master of your spot, share relevant information, provide special offers and schedule interesting conversations. Includes one (1) complimentary full ONLINE congress registration

#### ONLINE & ONSITE (limited availability):

On top of the above stated online experience you will get an onsite tabletop. Those tabletops will be in the area where the food & beverage service and sessions take place, so all participants will pass through the area over the two days. The tabletop consists of a draped table. Located in the market zone area of the congress venue. Priority will be given to sponsors. Spots will be allocated on a first come, first served basis. Bring a roll-up and brochures. Includes one (1) complimentary full congress registration for one attendee (onsite and online).
